40 **III. Old Business**

41 1. 2009-2010 C-Fund monies (25%) for State Roads

1 **L.B. Cannon, Dennis Corporation**, gave the CCTC Committee an update on figures for  
2 the four roads. 1<sup>st</sup> St. Great Falls, \$45,811, Underwood Ave in Great Falls, \$80,000,  
3 Blaney Rd., from the Rodman Complex to the railroad tracts, \$191,232 and Peden Oaks,  
4 \$255,000. **Mr. Cannon's** proposal was to use the 2009-2010 C-Fund monies for  
5 1<sup>st</sup> Street in Great Falls and Blaney Road since we have a two year period to spend  
6 these funds. **Vice Chairman Lucas** then stated that every street in Great Falls is  
7 patched and he has been trying to get roads paved for three years and that they haven't  
8 been paved since 1950. **Council Member Branham** asked how many families lived on  
9 Underwood and Mr. Cannon said very few it was just mainly the funeral home on that  
10 road. **Vice Chairman Lucas** then said whenever there is a death and that funeral home  
11 is used there is as many as 300 cars on that road. **Council Member Oliphant** then said  
12 with was important to pave dirt roads and prioritize them and that he had been working  
13 on One Way In and One Way Out for years. **Council Member Branham** then said those  
14 roads were actually in his District but he didn't disagree. **Council Member Branham**  
15 then said that Peden Oaks has at least 50 families with about double that many cars and  
16 the road looked like a washboard. **Chairman Roddey** then asked **Mr. Cannon** if the  
17 State wouldn't do Peden Oaks and **Mr. Cannon** replied that **Ms. Knuckles**, was aware of  
18 the situation. **Council Member Branham** then said it had been on the list for a long  
19 time. **Vice Chairman Lucas** then said that if the CCTC Committee was asking him to  
20 bend, he would not. He said even main street was in shambles and Dearborn Street  
21 needed paving also. **Chairman Roddey** then said "when is SCDOT going to step up to  
22 the plate because these are State Roads. **Council Member Oliphant** then asked **Mr.**  
23 **Bradley, with SCDOT** why couldn't they fix the roads and **Mr. Bradley** replied he was  
24 just an engineer that was not his decision. **Chairman Roddey** then asked **Mr. Bradley**  
25 if CCTC put the money up now could it be applied to all the roads next year and **Mr.**  
26 **Bradley** replied he thought so. **Council Member Holcombe** then said his District had  
27 the most roads, not population but roads and his were also in bad shape. **Chairman**  
28 **Roddey** then said again that DOT has to step up to the plate and **Vice Chairman Lucas**  
29 said that DOT wanted to give these roads back to the County because they didn't want to  
30 be responsible for them.  
31 **Council Member Branham then made a Motion to pave all 4 roads and borrow on**  
32 **next years 25% and that would give DOT time to see what they would do, 2<sup>nd</sup> by**  
33 **Council Member Jordan.** Discussion: **Mr. Bradley** said he would ask if CCTC could do  
34 this and let them know. **Council Member Oliphant** asked **Mr. Cannon** for an updated  
35 list of all paved and dirt roads that belonged to the County. **CCTC voted on Council**  
36 **Member Branham's Motion and the vote was unanimous.**
