Commission Members Absent: Jamey Wooten Tripp Lunsford

The meeting was called to order at 6:07 pm by Jerry with pledge and invocation.

A motion to approve the minutes was by Justin. They were seconded by Mrs. Brenda. The vote passed unanimously.

The first topic was the Great Falls contract. The park is close to a hunting club and would like to know the legal ramifications. Will Great Falls fix the rusted metal where the bleachers were? There needs to be an evaluation of the property lines, so there can be some cut off point. If the county is going to lease the property, we should be able to sub-lease like any other county property.

The second topic was the List of current/upcoming Park and Recreation projects which was tabled

The third topic was the List of properties used for Parks and Recreation, which was also tabled. The group also decided that it needs a maintenance list for each specific need of the park and also an itemized cost and equity placed in each park.

The fourth topic was the Guidelines for non-county groups who run parks. We need rules for groups who operate at and for the parks.

The fifth topic was Procedures for grant applications, and permission, or the procedures for grants, which was tabled.

The last topic was the Proposal for MOU with Rodman committee. On this topic, the board would need to wait for any decision from the county council.
