In evaluating the proposals, the County reserves the right to accept or reject all or any part of any proposal, waive minor technicalities, and award the contract to the offeror deemed to best serve the interests of the County; and adopt any part or all of a proposal if it is judged in the best interests of the County.

12.00 SUBCONTRACTING:

12.01 If any part of the work covered by the RFQ is to be subcontracted, the offeror shall identify the subcontracting organization and the contractual arrangements made therewith. All subcontractors must be approved by the County. The offeror will also furnish the corporate or company name and the names of the officers of any subcontractors engaged by the offeror.

13.00 TERMINATION

13.01 *For Cause:* In the event of material breach by Consultant/Subconsultant, County shall give written notice specifying the material breach. County would regard any deviation from the requirements of the contract that was neither trivial nor innocent as being material. Such deviations are evaluated on an instance-by-instance basis but any deviation, which impairs the utilization or value of the property to the County, would be regarded by the County as a material breach. Upon receipt of such notice, if Consultant/Subconsultant has not begun correction of the material breach within two (2) days or has not substantially corrected the material breach within ten (10) days of receipt of written notice, County shall have the right to terminate unilaterally and immediately services hereunder without further notice. County reserves the right to purchase any and all services or other items thereafter in the open market, charging the Consultant/Subconsultant with any additional costs. Should such charge be assessed, no subsequent bids or proposals of the defaulting Consultant/Subconsultant will be considered until the assessed charge has been satisfied. Additionally, the County shall have a similar right of rescission in any instance where Consultant/Subconsultant provides or seeks to provide any services for a price higher than that specified herein, without regard to cause, including governmental regulatory intervention and insistence. In the event of rescission, revocation or termination, all documents, and other materials in the possession of County or scheduled for delivery to County relating to performance hereunder shall become the property of County. County's failure to exercise their rights to terminate under this provision shall not be construed as a waiver of their rights to terminate, rescind, or revoke the services herein in the event of any subsequent breach.

13.02 *Non-Appropriation:* If the Chester County Council fails to appropriate or authorize the expenditure of sufficient funds to provide the continuation of this contract or if a lawful order issued in, or for any fiscal year during the term of the contract, reduces the funds appropriated or authorized in such amounts as to preclude making the payments set out therein, the contract shall terminate on the date said funds are no longer available without any termination charges or other liability incurring to County.

14.00 OFFEROR RESPONSIBILITY

14.01 The Consultant/Subconsultant shall provide all of the proposed work and services as finally agreed upon and accepted by the County of Chester. Each offeror shall fully acquaint himself with conditions relating to the scope and restrictions attending the execution of the work under the conditions of this proposal. It is expected that this will sometimes require on-site observation. The failure or omission of an offeror to acquaint himself with existing conditions shall in no way relieve him of any obligation with respect to this proposal or to the contract.

15.00 OWNERSHIP OF MATERIAL

15.01 All Proposals submitted in response to this document become the property of the County of Chester. Proposals submitted may be reviewed and evaluated by any person(s) at the discretion of the County upon award of contract. Ownership of all data, material and documentation originated and prepared for the County pursuant to this contract shall belong exclusively to the County. Offerors not awarded a contract under this solicitation, may request return of excess copies of their proposals within thirty (30) days after notification of award is mailed. All cost of returns will be paid by the offeror. If Federal Express, UPS, or other shipping number is not received with request, all excess copies will be destroyed.

16.00 SOUTH CAROLINA SALES TAX:

17.00 PROHIBITION OF GRATUITIES

17.01 Section 8-13-420 of the 1976 Code of Laws of South Carolina states in part as follows: "Whoever gives or offers to any public official or public employee any compensation including a promise of future employment to influence his action, vote, opinion or judgment as a public official or public employee, or such public official solicits or accepts such compensation to influence his action, vote or judgment shall be subject to the punishment as provided by Sections 16-9-210 and 16-9-220.
