

Chester County - Radio Committee Meeting

Date: 08/25/2021 – 6th Meeting

Attended In Person: Ben Grant, Barkley Ramsey, Doug McMurray, Britt Lineberger, Anna Jagger

By Phone: T. Melton

Not Available: Bill Baxter

Meeting started at 14:05

- T read meeting minutes from previous meeting
- Ben is about halfway through list for removing duplicates, will continue to work on this
- Doug does not have the updated Sherriff's list, still working on this with what vehicles are being replaced since these will come with new radios
- Anna is still working on the PD side for this same information
- County is borrowing full amount of the bond for the one cent project
 - End of October all money will be available for all projects
 - County has not agreed to any payment of fees or upgrades to network
 - Hope to have a list by next council for the September meeting.
 - Entire project is \$10 million for 10 years, this would include all towers upgrades and all use fees. \$3 million for infrastructure (must be paid in lump sum), \$3 million for use fees (can be paid along the way), \$4 million was the equipment.
- Doug has been in contact with York County User Group to get their operating and procedures. They have an upper and lower tier. Also has some radio use polices from Lancaster County.
- If anyone can get policies from other counties, please get copies.

Other Discussions:

- Britt to follow up on the hospital channels needed
- Next Meeting will be September 30th at 2:00 PM at EMA

Meeting Ended at 14:35
