

Chester County - Radio Committee Meeting

Date: 07/28/2021 – 5th Meeting

Attended In Person: Ben Grant, Barkley Ramsey, Doug McMurray, T. Melton, Bill Baxter, Anna Jagger

By Phone : Britt Lineberger

Not Available: none

Meeting started at 14:11

- Current count is at 764 radios needed without any duplicates removed.
- There are already 260 radios on the system
- Sheriff's Office will get small due to go bonds with new units being purchased. This will remove 6 from the list.
- 750 is the magic number we need to be at the contract price.
- Animal Control added a supervisor, EMS added an Operations and County added Assistant Supervisor.
- Ben to go through the list to remove any duplicates before next meeting
- We are only 14 over currently without any removed

Next Steps

- Doug meets with Tommy on Monday about the bond and the status of the financial side of things
- We need to start to work on the polices to present to council

Other Discussions:

- Dynamic Regroup is used when you are sent to mutual aid areas outside county. Will only need to be in one zone on one channel.
- Emergency Channel ???
- Radios can be set to go back to Dispatch after power cycling if programmed
- What happens when Palmetto Net goes down for maintenance? Doug question to answer
- VHF will be a back up system
- Britt to look at his zones
- Anna to look at PD
- Who talks to other counties about other county agencies
- Big items to complete SOG's and Template

Meeting Ended at 15:05
